God's Love Grams

As a fun way to spread some love and encouragement at Parkview, Home & School is offering students an opportunity to send a **God's Love Gram** to another student or staff member in the school. Students wishing to participate can purchase a **YumEarth vitamin C pop** which will be presented to the addressee with a paper heart and a **personalized scripture note**. We will provide the students with notes they can address and customize. God's Love Grams are **\$0.50 each**. **Money and notes are due by Friday, February 10th**. The Grams will be **delivered on Tuesday, February 14th**. Proceeds from the fundraiser will support Home & School projects at Parkview.

MAP Testing

February 6-10 will be testing week at Parkview for grades K-8. We utilize the **MAP Growth** assessment, a trusted tool for measuring growth and achievement. Students will complete **Math, Reading** and **Science** tests. MAP reports allow teachers to gauge whether a student is at, below, or above grade-level in order to tailor instruction and set realistic goals for each student. Please be sure, as always, that your child is getting adequate rest and nutrition during this week to help them perform at their best.
